Brush drop off updated schedule.

Presque Isle County Road Commission is going to reopen the 4 pits we have been using to accept vegetative material. We received a private donation that covers the cost for three more weeks. The days of operation will be Wednesday thru Sunday 7 am to 3:30 pm from April 30th to May 18th. Please see our website for the locations on a map at www.piroad.com.

Sincerely,

David A Kowalski

Superintendent Manager

Presque Isle County Road Comm.
